DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

Applicant's amendment has been received and entered into the present application. Applicant's response and amendment fails to set forth a disease as required per the Restriction Requirement mailed on 1/5/2009. Though it is acknowledged that claim 2 was noted in the Restriction Requirement, upon reconsideration it has been determined that "a reduction of apoptosis" is not an actual disease as required for election. Applicant is requested to elect an actual disease.

Since the above mentioned response appears to be bona fide attempt to reply, Applicant is given a TIME PERIOD of ONE(1) MONTH or THIRTY(30) DAYS, whichever is longer, from the mailing date of this notice which to supply the omission or correction, as well as proper response to the previous Office Action, in order to avoid abandonment. Extensions of this time period under 37 C.F.R. 1.136(a) are available.

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to Anna Pagonakis, whose telephone number is (571)-270-3505. The Examiner can normally be reached Monday through Thursday 8:30-5:00. If attempts to reach the Examiner by telephone are unsuccessful, the Examiner's supervisor, Ardin H. Marschel can be reached on (571)-272-0718.
